Administrator	Grant Braley	
Phone	(919) 807-4550	
Fax	(919) 807-4510	
E-Mail	grant.braley@doa.nc.gov	
Last Updated	July 10, 2009	

*** Note: E-Procurement Catalog Now Available. ***

1. General Information:

State Agencies and Non-State Agencies are to place their orders directly with the contractors and not the local authorized dealers. It is recommended that you follow up with the contractor to ensure the purchase order has been received. Be sure to indicate your choice of the local authorized dealer for the preparation and delivery of your tractor. **This contract does cover options at the percent (%) discount from the MSRP as noted herein, but they are not listed due to the variations available. Please contact the vendor (contractor) for contract pricing or information on options.**

NOTE: UTILITY VEHICLES ARE NOW LISTED UNDER 020C.

2. Scope of Contract:

This contract is intended to cover the State's normal requirements of Agricultural Tractors for use by all State agencies, departments, institutions, public school units (except those exempted by statute, and specific requirements of the Department of Transportation) and certain Non-State agencies.

In accordance with North Carolina General Statutes, certain non-state entities described below, may participate in this contract on a voluntary basis. Any of the non-state entities that choose to participate in this contract must abide by the terms and conditions that are set forth in this contract.

Nonprofit corporations operating charitable hospitals, local nonprofit community sheltered workshops or centers that meet standards established by the Division of Vocational Rehabilitation of the Department of Health and Human Services, private nonprofit agencies licensed or approved by the Department of Health and Human Services as child placing agencies, residential child-care facilities, private nonprofit rural, community, and migrant health centers designated by the Office of Rural Health and Resource Development, private higher education institutions, counties, public school units, cities, towns, governmental entities, volunteer fire departments, rescue squads, and other subdivisions of the State and public agencies thereof.

3. Taxes:

Prices or discounts shown herein do not include any North Carolina sales or use taxes.

4. Descriptive Literature & Price Lists:

The successful contractor shall furnish MSRP price lists, catalogs, and descriptive literature to any using agency upon request of the agency within **five (5) business days** for all equipment and options.

5. Abnormal Quantities

Any agency requirement that **exceeds 20 units** must be forwarded to the Division of Purchase and Contract for processing. The division, at its sole discretion, may process any such requirement in one of the following ways:

- a. Purchase may be authorized at the current level of pricing with the current contract vendor(s).
- b. Additional discounts from the current level of pricing may be negotiated with the current contract vendor(s).
- c. A separate Invitation for Bids may be issued for the requirement.

6. Minimum Orders

This contract will be for a minimum order of one unit for any single order.

7. Placement of Orders

Orders will be placed throughout the contract period on an as-needed basis for the quantity required at the time, and will be issued directly to the **respective contractor(s) and not the local authorized dealers**. Ordering agencies are to indicate the local dealership on their purchase order. Ordering agencies should consider sending their purchase orders via certified mail return receipt. This may serve as evidence that the contractor has received your purchase order.

All ordering agencies are urged to call the contractor for a complete listing of tractor features prior to placing their order.

a. Order Placement Via E-Procurement (Catalog Items)

- i. Click on the following link: [E-Procurement Users](#)
- ii. When placing an order in the e-procurement system, the very first thing to do is to go to the catalogue tab and select options. After you have selected options, select contract ID. In the contract ID space type in the contract ID number, 020A.
- iii. Please make sure the keywords space is blank and the contract ID is typed in the contract ID section.
- iv. After selecting the contract ID and to narrow the search to a particular manufacturer select the manufacturer from the drop down
- v. When the item to be ordered has been located complete the requisition and issue the purchase order.
- vi. Please note that all purchase orders will go directly the manufacturer and not the local dealers. The manufacturers have arranged to forward the purchase orders to the local dealer.
- vii. **To make sure that your purchase order reaches the correct dealer please put comments in the purchase order for the manufacturer giving the preferred dealer.**

Note: Successful contractors may reduce prices by:

- Increasing the discount offered to reduce prices for the entire line of product offered.
- Allowing additional discount(s) to the using agency.
- Special sales and/or promotions.

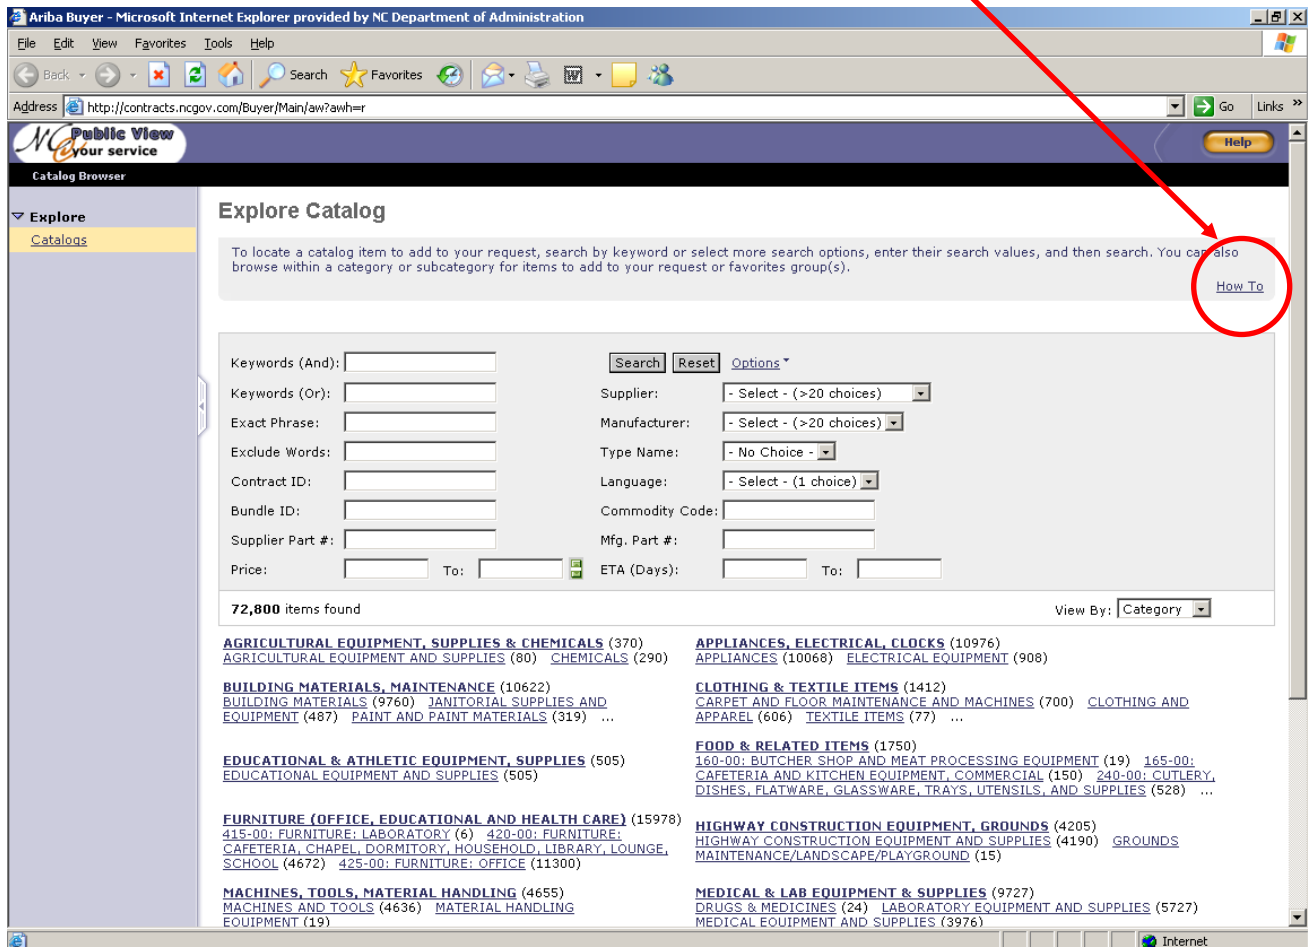

Any special sales offering (resulting in a price lower than the published catalog price), e.g. seasonal, inventory reduction, where specific products are offered to the general public shall be made available to the state at the same sales price.

The contractor agrees that all prices for items contained within the resulting contract(s) will, at no time be more than those prices charged to any other North Carolina customer for the same or similar items delivered to the same regional location.

b. Non E-Procurement Users

The E-Procurement Public View will be the only place for Non E-Procurement Users to view the item/pricing information.

- i. Click on the following link: [E-Procurement Public View](#)
- ii. For online assistance regarding item searching; click on the “How to” underlined link located near the upper-right hand corner.

8. Delivery

The contractor will complete delivery within **120-150 days** after receipt of purchase order.

In the event the delivery is not received within the contract delivery period, the contractor may be held in default in accordance with paragraph 1, DEFAULT AND PERFORMANCE BOND in the North Carolina General Contract Terms and Conditions, and the state may procure the articles or services from other sources and hold the contractor responsible for excess cost occasioned thereby.

9. Transportation Charges

All goods shall be delivered **FOB DESTINATION** for all orders equal to, or greater, than the minimum order, when shipped to a single destination. Transportation charges levied by the contractor for orders equal to, or greater than the minimum order, when shipped to a single destination, may be cause for removal of the contractor from the contract. In instances where the contractor makes partial shipments of an order to one destination, which is equal to, or greater than, the minimum order, all shipments of the order shall be sent **FOB DESTINATION** with **NO** additional transportation charges.

Term Contract No. 020A

10. Item & Price Information

Contact the contractor for more information. Options can be added to the tractor at the discount from the MSRP listed for each model.

12. Warranty

The contractor warrants to the owner that all equipment furnished under this specification will be new and of good material and workmanship and agrees to replace promptly any part or parts which by reason of defective material or workmanship shall fall under normal use free of negligence or accident for a **minimum period of two (2) years or 2000 hours** from date put in operation, whichever comes first. Such replacement shall include all parts, labor, and transportation costs to the location where equipment is down, free of any charge to the owner or his representative.

Under same and all conditions as above, the power train (engine, transmission, torque converter, final drive, main hydraulic pump and any other major components as recognized in the equipment industry as belonging to the power train) and structural members shall be so warranted for an **additional period of three (3) years (5 years total) and an additional 3,000 hours (5,000 hours total)**, whichever comes first. Such replacement shall include all parts, labor, and transportation costs to the location where equipment is down, free of any charge to the owner or his representative. Any periodic inspections which may be performed by the contractor or his representative shall be without charge to the owner.

Any portion of manufacturer's standard warranty that exceeds the minimum State's warranty requirements shall be in effect in conjunction with and enhance the State's warranty, then continue for the remainder of its term.

13. Contract Changes:

Contract changes, if any, over the life of the contract are implemented by contract addenda released by the Contract Administrator to the contractor. If the contractor is accepting orders and/or delivering through other parties, for example a manufacturer accepting orders and delivering through a dealer network or dealers receiving orders through a network of other dealers, then it is the responsibility of the contractor to apprise such parties of all such contract addenda.

Term Contract No. 020A

14. Substitutions:

Substitutions are not permitted without prior approval of the Division of Purchase and Contract. Failure of the contractor to comply with this requirement may result in the removal of the contractor from the contract.

15. Vendor Complaint Form:

The Vendor Complaint Form can be found by clicking: [Vendor Complaint Form](#).

16. Contract Addenda:
