NOTE:

Star Creation has been removed from the contract. All items removed may be purchased under STC #150A from Lowes Home Improvement

1. General Information

These prices are for State of North Carolina agencies, universities, community colleges, local government, and other qualifying entities.

2. Scope of Contract

The scope of this contract is limited to the State’s normal requirements for Domestic (Household) Appliances and includes electric ranges, microwave ovens, full size and compact refrigerators, electric washing machines, electric dryers, and electric dishwashers. Domestic appliances are not intended to be used in commercial/heavy use, laboratory, or office type settings. Doing so may void the warranty and also may be against local/state fire codes. Please check with your local fire marshal before using in such settings.

SUSTAINABILITY: All refrigerators, washers, and dishwashers are Energy Star Qualified.

3. Taxes

Prices shown herein do not include any North Carolina sales or use taxes.

Vendors will be permitted to charge \$3.00 per unit as a White Goods Disposal Tax. This will be listed as a separate line item on their invoices.

4. Abnormal Quantities

Any agency requirement that exceeds 60 units must be forwarded to the Division of Purchase and Contract for processing. The Division, at its sole discretion, may process any such requirement in one of the following ways:

1. Purchase may be authorized at the current level of pricing with the current contract vendor(s)
2. Additional discounts from the current level of pricing may be negotiated with the current contract vendor(s)
3. A separate Invitation for Bids may be issued for the requirement

5. Minimum Orders

This contract will be for a minimum order of 1 appliance for any single order.

6. Placement of Orders

Orders will be placed throughout the contract period on an as-needed basis for the quantity required at the time, and will be issued directly to the respective contractor(s). Contract changes, if any, over the life of the contract are implemented by contract addenda released by the Contract Administrator to the contractor. **Only issue purchase orders to the addresses as listed below. Do not issue purchase orders to an individual store.**

NOTE: Be sure to include the telephone number of the purchaser and specify the color of the item(s) on all purchase orders to insure prompt delivery. Prices are based upon white color and there may be an upcharge for some colors for some items.

7. Delivery

The contractor(s) will complete delivery 14 calendar days after receipt of order. Contract prices include delivery to the loading dock. The purchaser may require delivery to any location in the building that is on the main receiving floor or any floor that is accessible via an elevator. Vendor may be required to uncrate if necessary to pass through doorways but vendor is not responsible for any removal/replacement of building doors, closers, etc. The customer must clearly state on the purchase order that an INSIDE DELIVERY is requested. The flat rate charge that may be charged by the vendor for inside delivery is not to exceed \$20.00 per appliance. Installation is not a part of this contract. Removal of crating material by the contractor is not required.

In the event the delivery is not received within the contract delivery period, the contractor may be held in default in accordance with paragraph 1, DEFAULT AND PERFORMANCE BOND in the North Carolina General Contract Terms and Conditions, and the State may procure the articles or services from other sources and hold the contractor responsible for excess cost occasioned thereby.

8. Transportation Charges

All goods shall be delivered FOB destination.

NOTE: All shipments should be inspected for damage immediately upon receipt.

9. Order Placement Via E-Procurement (Catalog Items)

- a. Click on the following link: <http://eprocurement.nc.gov/ContactUs.html>
- b. When placing an order in the e-procurement system, the very first thing to do is to go to the catalog tab and select options. After you have selected options, select contract ID. In the contract ID space type in the contract ID number, 045A.
- c. Please make sure the keywords space is blank and the contract ID is typed in the contract ID section.
- d. After selecting the contract ID and to narrow the search to a particular manufacturer, select the manufacturer from the drop down.

When the item to be ordered has been located, complete the requisition and issue the purchase order.

10. Item Pricing Information

See Section 12 and/or E-Procurement catalog. Hoses, electrical pigtaills, and dryer vents are not normally included in the pricing. They will need to be bought separately, either from the contract vendor or from another source.

11. Price Lists and Catalogs

The successful contractor must furnish descriptive literature to any agency within seven (7) consecutive days after request of the agency. Failure to comply with these requirements may subject the contractor to removal from the contract.
