1. General Information

State Agencies

All State agencies, except those exempted below, are to fulfill their vehicle requirements through [Motor Fleet Management](#).

- Public Schools and Regional Centers
- Community Colleges and Technical Institutes (not including the Raleigh Administration Offices)
- Highway Patrol, ALE, Butler Public Safety, SBI.
- General Assembly
- Driver's Education (Division of the Department of Public Instruction)

If you have questions regarding whether you are required to use Motor Fleet Management please contact:

[Motor Fleet Management](#)
Jackie Montgomery
(919) 733-6540

Non-State Agencies

In accordance with North Carolina General Statutes, certain non-state entities described below, may participate in this contract on a voluntary basis. Any of the non-state entities that choose to participate in this contract must abide by the terms and conditions that are set forth in this contract.

Nonprofit corporations operating charitable hospitals, local nonprofit community sheltered workshops or centers that meet standards established by the Division of Vocational Rehabilitation of the Department of Health and Human Services, private nonprofit agencies licensed or approved by the Department of Health and Human Services as child placing agencies, residential child-care facilities, private nonprofit rural, community, and migrant health centers designated by the Office of Rural Health and Resource Development, private higher education institutions, counties, cities, towns, governmental entities, volunteer fire departments, rescue squads, and other subdivisions of the State and public agencies thereof.

Do Not Sign Forms

The Agency is cautioned not to sign any forms presented or mailed to user by contractor or manufacturer, except in cases where a particular form may be specifically authorized elsewhere in the contract. Examples of forms which should not be signed are those which involve assignment of motor vehicle sales proceeds accounts, or assignment, forfeiture, or alteration of any other contractual provisions or rights. The only forms which the user should otherwise sign when picking up the vehicle are DMV Form MVR-1 (or latest revision), title application, odometer mileage statement, and a copy of the buyer's order or the invoice to acknowledge receipt of the vehicle.

Term Contract 070A

2. Scope of Contract

This contract is intended to cover normal requirements for 2012 model year passenger vehicles. In stock vehicles meeting specifications and bid prices shown herein may be purchased from this contract after receipt of notification of factory production cut-off, subject to availability.

3. Delivery

All vehicles ordered for Motor Fleet Management shall be delivered to the Motor Fleet Management Garage; 1915 Blue Ridge Road, Raleigh, NC.

All vehicles ordered for Department of Public Instruction for Driver's Education shall be delivered to and received by the Department of Public Instruction, Wake County, address to be provided on purchase order.

Note: Vendors participating on this contract were able to waive the central pick-up point for **all** other vehicles, and deliver those directly to the customers throughout the State. Vendors agreeing to this include:

Capital Ford of Wilmington, Horace G. Ilderton LLC, Modern Chevrolet, Modern Nissan and Town and County Toyota

Contractor assumes full responsibility for any damages and resulting repair, during transit and storage until vehicle is picked up by the agency. However, it is incumbent upon the agency to pick-up the vehicle as quickly as reasonably possible. Vehicle shall be inspected by the user at the pick-up location prior to acceptance.

4. Pick-Up Locations

This contract allows for vehicles to be picked up in locations shown.

Contractor	Wake County (Pick-Up Location)
Bobby Murray Chevrolet	Bobby Murray Chevrolet 1820 Capital Boulevard Raleigh NC 27604
Capital Ford, Inc.	Capital Ford, Inc. 4900 Capital Boulevard Raleigh NC 27616
Fred Anderson Toyota/Scion	Fred Anderson Toyota/Scion 9101 Glenwood Avenue Raleigh NC 27617
Sir Walter Chevrolet	Sir Walter Chevrolet 8501 Glenwood Avenue Raleigh NC 27612

5. Placement of Orders

The Contractor shall immediately acknowledge in written format, to the ordering agencies receipt of their purchase orders. If an agency does not receive order confirmation from the contractor within **three (3) business days**, the agency should contact the contractor to verify. Cut off dates shown are subject to change.

Orders will be placed throughout the contract period on an as-needed basis for the quantity required at the time, and will be issued directly to the respective contractor(s) or their designated suppliers. Contract changes, if any, over the life of the contract are implemented by contract addenda released by the Contract Administrator to the contractor. If the contractor is accepting orders and/or delivering through other parties, for example a manufacturer accepting orders and delivering through a dealer network or dealers receiving orders through a network of other dealers, then it is the responsibility of the contractor to apprise such parties of all such contract addenda.

Purchase Order - Information to Include

The following information needs to be included in your purchase order.

Term Contract 070A

Specify the base vehicle item number and description as listed in the contract, as well as any specific optional equipment as separate items, and include the contract price for each.

Specify interior and exterior vehicle colors.

Indicate the total contract price for the vehicle equipped as desired, which is the base vehicle price plus the total price for all options. Note that the price includes delivery to the pickup point specified herein for that vehicle.

Designate how the vehicle is to be titled.

Designate the contact person (email and phone number) who can answer questions concerning the purchase order, and who can be notified by the contractor when the vehicle is ready for pick-up.

Designate the contract payment terms (including number of days), contract delivery time, FOB point ("FOB destination"), and contract delivery location for the vehicle(s) you are ordering. If you desire to pick up the vehicle from the dealership, indicate this in lieu of the contract pickup location.

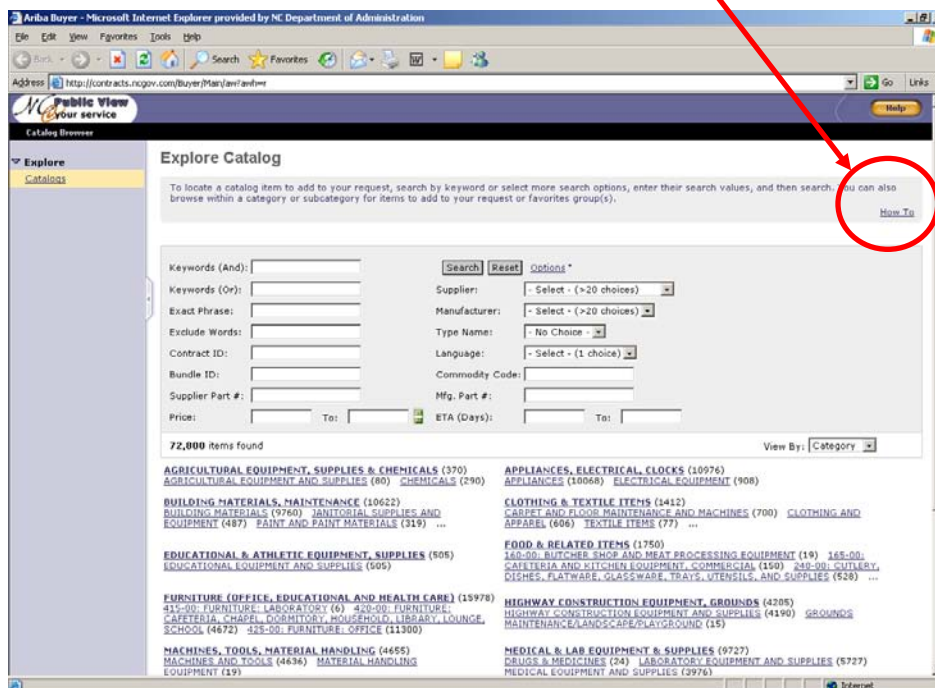

Indicate the name, address, and e-mail of the individual whom recall notices or alerts should be sent to for the next 6 years.

1. Click on the following link: [E-Procurement Users](#)
2. When placing an order in the e-procurement system, the very first thing to do is to go to the catalog tab and select options. After you have selected options, select contract ID. In the contract ID space type in the contract ID number, 070A.
3. Please make sure the keywords space is blank and the contract ID is typed in the contract ID section.
4. After selecting the contract ID and to narrow the search to a particular manufacturer select the manufacturer from the drop down
5. When the item to be ordered has been located complete the requisition and issue the purchase order.

Non E-Procurement Users

The E-Procurement Public View will be the only place for Non E-Procurement Users to view the item/pricing information.

- a. Click on the following link: [E-Procurement Public View](#)
- b. For online assistance regarding item searching; click on the "[How to](#)" underlined link located near the upper-right hand corner.

Term Contract 070A

6. Minimum Order

The minimum order qualifying for FOB Destination to the designated pickup county is **one (1)** vehicle.

7. Descriptive Literature

Contractors are required, upon request of any user, to provide vehicle literature (standard/optional features, exterior/interior colors, North Carolina option pricing). Information to be provided to the user within **three (3) business days** of the request at no charge.

8. Payment

Motor Fleet Management **NET ten (10) days** after receipt of correct invoice or acceptance of vehicles, whichever is later.

All other agencies **NET thirty (30) days** after receipt of correct invoice or acceptance of vehicles, whichever is later.

9. Taxes

Prices shown herein do not include North Carolina sales, use, or personal property tax.

Federal Tax – agencies are exempt from Federal taxes, such as excise and transportation. Exemption forms submitted by the contractor will be executed and returned by the using agency.

Address tax questions to the North Carolina Department of Revenue; Dick Stewart at (919) 733-2151.

10. Item Pricing & Requirements

a. **Item 1**

Four Door Sedan, Five Passenger Mid-Size Vehicle, 4-Cylinder Gasoline Engine

Contractor	Capital Ford, Inc.
Mfg.	Ford
Brand	Fusion
Body Code	P0G
Trim Level	S
EPA Combined	26 MPG
Unit Price	\$15,398.00
Requirements	
1.	Four-door sedan, five passenger, EPA mid-size, 4-cylinder engine.
2.	Antifreeze, -20 degrees F with rust inhibitor
3.	Air conditioner, factory installed
4.	Body side molding, or equivalent provision (such as dent and chip resistant polymer door panels) to reduce body damage from opening doors of adjacent cars in parking areas
5.	Brakes: anti-lock braking system, 4-wheel type
6.	Electrical system, 12 volt with alternator and battery
7.	Engine, manufacturer's standard 4-cylinder EFI gasoline engine, minimum 2.2 L displacement
8.	Floor covering, carpet front and rear, color keyed. Floor mat in trunk Floor mats, color-keyed, front and rear, carpeted, manufacturer's standard
9.	Glove compartment
10.	Heater and defroster
11.	Hood release, inside
12.	Jack and lug wrench
13.	Lights, dome, activated by front and rear doors (automatic) and driver headlight switch
14.A.	Mirror, rearview, adjustable interior with day/night adjustment

Term Contract 070A

Requirements Continued	
14.B.	Exterior mirror on left side, remote controlled
14.C.	Matching right exterior mirror
15.A.	Paint, vehicles to be painted manufacturer's standard solid colors, as specified on all orders. Base vehicle bid price is to include all manufacturer's standard exterior colors which are available at no extra charge per manufacturer's published price book
15.B.	Any and all manufacturer's standard exterior/interior color combinations available on any size order
16.	Radio, manufacturer's standard AM/FM stereo, and clock
17.	Seat belts and shoulder harnesses
18.	Seats, bench type foam cushion, front and rear. Cloth type upholstery. Front bucket seats also acceptable
19.	Steering, power assist
20.	Tires, 4 blackwall, tubeless, radial. White sidewall may be provided if standard. Tires must satisfy G.V.W.R. and Federal requirements and must be vehicle manufacturer's standard size. Spare tire and wheel, mounted, to also be included. Space saver type spare acceptable.
21.	Transmission, automatic
22.	Wheels: Manufacturers standard
23.	Dual electric windshield wiper, two-speed, and windshield washer
24.	All vehicles must comply with Federal Motor Vehicle Safety Standard and Federal Regulations.
25.	Driver's and front passenger's supplemental inflatable restraint system (air bag) plus head curtain side-impact front and rear outboard.
26.	Cruise control
27.	Tilt steering wheel

29.	Power door locks with remote keyless entry.
30.	Manufacturer's standard wheel cover or center cap
31.	ETS (Electronic Stability Control)
32.	Theft Deterrent System
33.	TPMS (Tire pressure monitoring system)
34.	Day-time running lights

b. Item 1.1

Four Door Sedan, Five Passenger Mid-Size Vehicle, 4-Cylinder Flex Fuel Engine

Contractor	Sir Walter Chevrolet
Mfg.	Chevrolet
Brand	Malibu LS
Body Code	IFL
Trim Level	LS
EPA HWY	26 MPG
Unit Price	\$16,663.00

Requirements are the same as Item 1.

Term Contract 070A

c. Item 2

Four Door Sedan, Five Passenger Mid-Size Vehicle, 6-Cylinder Flex Fuel Engine

Contractor	Capital Ford, Inc.
Mfg.	Ford
Brand	Fusion
Body Code	POH
Trim Level	SE
EPA HWY	23 MPG
Unit Price	\$18,382.00
Requirements	
1.	Four-door sedan, five passenger, EPA mid-size, 6-cylinder engine
2.	Antifreeze, -20 degrees F with rust inhibitor
3.	Air conditioner, factory installed
4.	Body side molding, or equivalent provision (such as dent and chip resistant polymer door panels) to reduce body damage from opening doors of adjacent cars in parking areas
5.	Brakes: anti-lock braking system, 4-wheel type
6.	Electrical system, 12 volt with alternator and battery
7.	Engine, manufacturer's standard 6-cylinder EFI gasoline engine, minimum 2.5 L displacement
8.	Floor covering, carpet front and rear, color keyed. Floor mat in trunk Floor mats, color-keyed, front and rear, carpeted, manufacturer's standard
9.	Glove compartment
10.	Heater and defroster
11.	Hood release, inside
12.	Jack and lug wrench
13.	Lights, dome, activated by front and rear doors (automatic) and driver headlight switch
14.A.	Mirror, rearview, adjustable interior with day/night adjustment
14.B.	Exterior mirror on left side, remote controlled
14.C.	Matching right exterior mirror
15.A.	Paint, vehicles to be painted manufacturer's standard solid colors, as specified on all orders. Base vehicle bid price is to include all manufacturer's standard exterior colors which are available at no extra charge per manufacturer's published price book
15.B.	Any and all manufacturer's standard exterior/interior color combinations available on any size order

AFV provider must be licensed by the State of North Carolina to do business in the State. b. AFV provider must be either a licensed Small Volume Manufacturer, a licensed franchised dealer of AFV products, or a NHTSA registered Vehicle Manufacturer, part 565 and part 566 compliant. Requirements for Bid, as stated elsewhere in this document are superseded. c. Alternative Fuel Vehicles must provide a statement of compliance with FMVSS requirements where applicable. Bids invoking section 555 (Temporary Exemptions from Motor Vehicle Safety Standards) will not be accepted. d. All AFV providers must provide compliance with the Environmental Protection Agency (EPA) Memo 1A, and Section 203(a)(3) of the Clean Air Act or compliance with appropriate sections of the Code of Federal Regulations (40 CFR Parts 85 through 88) also known as a "Certificate of Conformity" for the model year being solicited. The only exception will be pure battery electric vehicles, as long as the AFV provider meets all the other requirement of this section. e. 5. Included with the bid proposal must be a Letter of Supply.

i. **Item 8**

Four-Door Sedan, Subcompact or Compact Four Passenger, 4-Cylinder Engine/Electric Motor Hybrid

Contractor	Fred Anderson Toyota
Mfg.	Toyota
Brand	Prius
Body Code	1223
Trim Level	Prius II
EPA Combined	50 MPG
Unit Price	\$23,247.00
Requirements	
1.	Four-door sedan (hatchback and lift back styles acceptable), four-passenger, EPA sub-compact or compact, 4-cylinder engine/electric motor <u>hybrid</u> .
2.	Antifreeze, -20 degrees F with rust inhibitor
3.	Air conditioner, factory installed

Term Contract 070A

12. Dealer Emblem

Decals or markings of any type pertaining to advertisement of dealer is not allowed.

13. Service Requirements

All vehicles must be properly serviced and in first class operating condition when delivered to, or designated as ready for pick-up. Contractor shall be responsible for servicing each vehicle as follows in addition to any prior factory servicing.

- a. Complete lubrication.
- b. Check all fluid levels to insure they are filled to manufacturer's recommended capacity. (Crankcase, differential, battery, radiator, power steering, transmission, etc.)
- c. A minimum of five (5) gallons of gasoline at time delivery is completed. AFV's shall have enough usable fuel to travel 75 highway miles at time delivery is completed.
- d. Adjustment of engine to proper operating condition.
- e. Inflating tires to correct pressure.
- f. Careful check to insure perfect operation of all mechanical and electrical features.
- g. Careful check to insure there are no appearance defects.
- h. Thorough cleaning, including washing if necessary, and the removal of all unnecessary tags, stickers, paper, etc.
- i. A State of North Carolina Motor Vehicles Inspection Sticker shall be affixed to each vehicle.
- j. A certificate of origin is to be furnished to the owner.
- k. All vehicles ordered by Motor Fleet Management Division must be furnished with **two (2) sets of keys** with knock-outs removed.
- l. Front license plate brackets must be furnished and installed on all vehicles.
- m. Owners Manual

Each vehicle delivered under this contract is to be in proper working order with all apparent mechanical and appearance defects corrected before delivery.

14. Maintenance Training

If requested, contractor will provide product and maintenance training, for designated State personnel. Training locations and schedules will be coordinated by the requesting agency and contractor.

15. Shop Manual

When requested by the using agency, a shop manual shall be provided within **forty-five (45) days** after receipt of first vehicle of the respective model. Manuals are not included in the vehicle prices herein. Manuals are **6% off MSRP** and will be invoiced separately. Some agencies may request shop manuals in CD format.

16. Warranty

Manufacturer's standard warranty shall apply except that the minimum is as follows: **thirty-six (36) months or 36,000 miles**, whichever occurs first, on entire vehicle, no deductible; and **five (5) years or 100,000 miles**, whichever occurs first, on corrosion.

The State is to receive the benefit of any increase in coverage in manufacturer's new car warranty applicable to vehicles purchased from this contract.

There may be cases of delay, in which vehicles are unable to be placed into operation by the user until several weeks or months after acceptance. To provide for this, but only in cases where delay is significant, the normal warranty start date will be changed such that the number of months on the warranty is counted from the date the respective vehicle is actually placed in operation, up to maximum delay in warranty start date of six (6) months after vehicles acceptance. Documentation substantiating such delays in placement of vehicles into operation will be provided by the using agency upon request by contractor. Contractor may confirm such instances of delay by inspection of the involved vehicles, as applicable, provided such inspections do not interfere with other of the user's operations.

Warranty shall be extended for miles driven from contractor location to designated pick-up location.

Term Contract 070A

17. Product Recall

In the event of any recall notice, technical service bulletin, or other important notification affecting a vehicle purchased from this contract, such notice will be sent **six (6) years** free of charge to the purchaser listed on the applicable purchase order. Such notice shall reference the purchase order number, agency name, and vehicle serial number. It is imperative for the agency to indicate on the purchase order the individual's name, mailing address, e-mail, telephone number and fax number to send such notifications.

18. Sites of Interest

National Highway Traffic Safety Administration, <http://www.nhtsa.dot.gov>, contains information on recall notices and vehicle alerts.

19. Vendor Complaint Form

The Vendor Complaint Form can be found by clicking: [Vendor Complaint Form](#).

20. Contract Addenda

Addendum	Effective Date	Description
1	12/23/2011	Add Chevrolet Volt & Nissan Leaf
