1. General Information and Scope of Contract

SCOPE:

The scope of this contract is intended to cover the State's normal requirements for Wheel Tractor for use by **all State Agencies, Institutions, and all Public Schools** except those exempt by Statute noted herein. As per House Bill 490, Community Colleges have the flexibility to not use this contract if they can locate the item(s) that is the same or substantially similar in quality, service, and performance as items available under State term contracts and the delivered price is less than that on term contract with all features, terms, and conditions being the same.

NON-STATE AGENCIES ELIGIBLE TO PARTICIPATE IN THIS CONTRACT

In accordance with North Carolina General Statutes, certain non-state entities described below, may participate in this contract on a voluntary basis. Any of the non-state entities that choose to participate in this contract must abide by the terms and conditions that are set forth in this contract.

Nonprofit corporations operating charitable hospitals, local nonprofit community sheltered workshops or centers that meet standards established by the Division of Vocational Rehabilitation of the Department of Health and Human Services, private nonprofit agencies licensed or approved by the Department of Health and Human Services as child placing agencies, residential child-care facilities, private nonprofit rural, community, and migrant health centers designated by the Office of Rural Health and Resource Development, private higher education institutions, counties, public school units, cities, towns, governmental entities, volunteer fire departments, rescue squads, and other subdivisions of the State and public agencies thereof.

2. Taxes

Prices or discounts shown herein do not include any North Carolina sales or use taxes.

3. Abnormal Quantities

Any agency requirement that exceeds \$200,000.00 must be forwarded to the Division of Purchase and Contract for processing. The Division, at its sole discretion, may process any such requirement in one of the following ways:

1. Purchase may be authorized at the current level of pricing with the current contract vendor(s).
2. Additional discounts from the current level of pricing may be negotiated with the current contract vendor(s).
3. A separate Invitation for Bids may be issued for the requirement.

4. Minimum Orders

This contract will be for a minimum order of one for any single order.

5. Placement of Orders

Orders will be placed throughout the contract period on an as-needed basis for the quantity required at the time, and will be issued directly to the respective contractor(s) or their designated suppliers.

Term Contract No. 765A

Contract changes, if any, over the life of the contract are implemented by contract addenda released by the Contract Administrator to the contractor. If the contractor is accepting orders and/or delivering through other parties, for example a manufacturer accepting orders and delivering through a dealer network or dealers receiving orders through a network of other dealers, then it is the responsibility of the contractor to apprise such parties of all such contract addenda.

All ordering agencies are urged to call the contractor for a complete listing of tractor features prior to placing their order.

a. Order Placement Via E-Procurement (Catalog Items)

Click on the following link: **E-Procurement Users**

When placing an order in the e-procurement system, the very first thing to do is to go to the catalog tab and select options. After you have selected options, select contract ID. In the contract ID space type in the contract ID number, 765A.

Please make sure the keywords space is blank and the contract ID is typed in the contract ID section.

After selecting the contract ID and to narrow the search to a particular manufacturer select the manufacturer from the drop down

When the item to be ordered has been located complete the requisition and issue the purchase order.

Please note that all purchase orders will go directly the manufacturer and not the local dealers. The manufacturers have arranged to forward the purchase orders to the local dealer.

To make sure that your purchase order reaches the correct dealer please put comments in the purchase order for the manufacturer giving the preferred dealer.

Note: Successful contractors may reduce prices by:

Increasing the discount offered to reduce prices for the entire line of product offered

Allowing additional discount(s) to the using agency

Special sales and/or promotions

Order Placement Via E-Procurement (Catalog Items)

- Click on the following link: <https://buyer.ncgov.com>
- In the contract ID space type in the contract ID number, (##A) (example: 765A).
- Use the 'Options' dropdown to filter contract specifics
- When the item to be ordered has been located complete the requisition and issue the purchase order.

Non E-Procurement Users

The E-Procurement Public View will be the only place for Non E-Procurement Users to view the item/pricing information.

E-Procurement Item Pricing:

- To View Pricing, go to Public View Catalog, <http://contracts.ncgov.com/>
- In the Contract ID field, type in ##A (example: 765A)
- Use the 'Options' dropdown to filter contract specifics

Term Contract No. 765A

7. Delivery

Specific deliveries are requested and the State reserves the right to evaluate the delivery schedule offered as a factor in determining award of this contract. The State is requesting that the bidder complete delivery within 180-210 consecutive calendar days after receipt of purchase order, unless otherwise stated.

8. Transportation Charges

FOB destination any statewide location with all transportation charges prepaid and included in the price of the bid.

9. Price Lists and Catalogs

Product information, price lists and/or catalogs are available from the contractor in hard copy format upon request.

10. Contractors

All known minority, physically handicapped or women contractors, including dealers, will be identified with an "M", "H" or "W" as appropriate after their vendor number. This is being done in an effort to better recognize businesses owned and operated by these groups and to encourage and promote their use to the greatest extent permitted by law.

When more than one supplier is listed for a particular item, selection should be made whenever possible from any minorities, physically handicapped or women identified, consistent with agency needs and price.

11. WARRANTY:

Bidder warrants that equipment furnished on this bid will be new and of good material and workmanship. Defective parts found to be free of negligence or accident will be replaced free of charge for a minimum of 12 months or 1,000 hours, whichever comes first, from respective dates the machines are put in operations. Such replacement is to include all parts, labor, freight, and travel to site where equipment is down (statewide locations). In addition, any specific provisions in the manufacturer's standard warranty that exceed the above requirement become part of the warranty for this contract.

List terms of warranty offered including standard warranty:

Under same and all conditions as above, the power train (engine, transmission, torque converter, and final drive, main hydraulic pump and any other major components as recognized in the equipment industry as belonging to the power train) and structural members shall be covered for an additional period of 2 years (3 years total or 3,000 hours total) whichever comes first. Any periodic inspections which may be performed by the contractor or his representative shall be without charge to the owner.

The manufacturer(s) shall list the State of North Carolina as an authorized service account and warranty work may be performed by State employees when it is in the best interest of the State. Such work will be reimbursed at the Dealer's current labor rate and for the standard time allowed for the repair.

Bidder is advised that deviations taken to the above warranty paragraph may cause nullification of your bid. Bidder specifically agrees to above warranty paragraph by signature of the "Execution of Bid" contained herein.

12. Substitutions

Substitutions are not permitted without prior approval of the Division of Purchase and Contract. Failure of the contractor to comply with this requirement may result in the removal of the contractor from the contract.

13. Other

QUALITY ACCEPTANCE INSPECTION: NON-DOT- Upon delivery of the item(s), (except non-state agencies as defined earlier) as called for herein, the contractor must request a Quality Acceptance Inspection. Such requests must be forwarded (in writing) to the Division of Purchase and Contract, Attn: Quality Acceptance Inspections, 1305 Mail Service Center, Raleigh, NC 27699-1305. Fax # (919) 807-4510.

INVOICES WILL NOT BE PAID BY THE USING AGENCY UNTIL QUALITY ACCEPTANCE HAS BEEN ACCOMPLISHED.

HAZARDOUS SUBSTANCE AND/OR OIL SPILLS:

Contractors hired by the end user shall be responsible for any costs (direct or indirect) associated with damage and/or cleanup of a hazardous substance and/or oil spill caused by the Contractor or their agent. This responsibility shall extend to freight carriers who were hired by the Contractor to deliver the commodity or service to the end user. While on end user premises, the Contractor shall comply with all local, State and Federal requirement for the proper handling of hazardous substances and/or oil.

For the purpose of this section, hazardous substances shall be defined as any substance, other than oil, which when discharged in any quantity may present an imminent and substantial danger to the public health, welfare AND/OR environment. Oil shall be defined as any oil of any kind and in any form, including but specifically not limited to petroleum, crude oil, diesel oil, fuel oil, gasoline, lubrication oil, oil refuse, oil mixed with other waste, oil sludge, petroleum related products or by-products, and all other liquid hydrocarbons, regardless of specific gravity, whether singly or in combination with other substances. In addition, the Contractor agrees to indemnify and hold the end user harmless against all claims, liabilities and costs, including attorney's fees, incurred in the defense of any claim brought against the end user resulting from such as spill.

REPAIR PARTS DELIVERY:

Bidder shall maintain access to a complete inventory of repair parts for the offered equipment, located within the United States, for ten (10) years after the date of acceptance of the equipment. Critical repair parts from this inventory shall be received by the designated repair depot within five (5) working days after request. "Critical repair parts" are defined as those parts, which are essential for the safe and proper operation of the machine.

For critical repair parts, a penalty of \$68.34 per working day shall be levied against the bidder and deducted from parts invoice(s) for each working day that completed delivery is in excess of the five day limit. This penalty will only apply in cases where the parts order has been placed with the bidder. This penalty clause shall be in effect for three (3) years from date of acceptance of equipment offered on this bid.

Term Contract No. 765A

The State may waive the above repair parts penalty in any instance where such non-performance, in the determination of the State, is due to factors other than those under control of the bidder and/or manufacturer. After the three-year period, bidder performance with respect to promptness of repair parts delivery will continue to be monitored by the State. Failure of bidder, to perform acceptably at any time after the three-year period, may result in the vendor not receiving future awards.

TRAINING:

Training is required and the successful vendor shall provide a qualified representative to instruct the owners operators in the proper operation, routine maintenance, service and safety at time of delivery.

FIRE EXTINGUISHERS:

Fire extinguisher 3.11 lbs size shall be mounted on each unit in accordance with applicable National Fire Protection Association (NFPA) requirements.
