

**QUALIFIED PRODUCTS LIST
FOR
TABLES, GENERAL PURPOSE, CLASSROOM, METAL**

(This Qualified Products List [QPL] is released for procurement purposes until revised or rescinded.)

I. SCOPE

The Tables listed in this Qualified Products List are intended to cover a consolidation of movable tables for general purpose use in classrooms, multipurpose rooms, et cetera. The Tables listed in this Qualified Products List represents the items that have been approved for the majority of classroom uses for the public schools of North Carolina.

This Qualified Products List is for the use of all state agencies and the public schools in the procurement of products covered. Use for any other purpose is not intended, and use for promotional purposes is specifically prohibited.

This qualified products list is not intended to include all varieties of the commodity as indicated by the title of this list, or which may be commercially available, but is intended to cover only those commonly used by State Agencies and the public schools. Listing of a product is not intended to and does not connote endorsement of the product by the state.

- A. Manufacturer's changes in specifications: Any changes in specifications of the listed items shall be reported to this office in writing within five (5) working days after the change is implemented. The acceptability or lack thereof of the revised product will be made at the sole determination of the State. Failure to properly report changes in specifications in accordance with the above may result in removal of the item from this list.
- B. Manufacturer's change in product identifier only: Any change in the product identifier of a listed item, where no change in manufacturer's specifications has occurred, shall be reported to this office in writing within five (5) working days after the change is implemented. The State reserves the right to investigate the circumstances and to subsequently accept or reject the reidentified product, whichever the State in its sole judgment deems appropriate. Failure of bidder to properly report changes in product identification in accordance with the above may result in removal of the item from this list.
- C. Discrepancies in product identifiers: In instances where the manufacturer's product identifier and the identifier listed in the QPL differ, the State reserves the right to investigate the circumstances and to subsequently accept or reject the product in question, whichever the State in its sole judgment deems appropriate.
