

**QUALIFIED PRODUCTS LIST
FOR
PIANOS, UPRIGHT**

(This Qualified Products List is released for procurement purposes until revised or rescinded.)

SCOPE

This QPL covers Upright Pianos for use by state agencies and institutions.

I. GENERAL

This Q.P.L. is intended for use by state institutions, agencies and public schools in the procurement of Upright Pianos. Use for any other purpose is not intended, and use for promotional purposes is specifically prohibited.

This listing does not constitute a formal contract with the manufacturers listed herein, but lists only those products meeting requirements.

Manufacturer's changes in specifications: Any changes in specifications of the listed items shall be reported to this office in writing within five (5) working days after the change is implemented. The acceptability or lack thereof of the revised product will be made at the sole determination of the State. Failure to properly report changes in specifications in accordance with the above may result in removal of the item from this list.

Manufacturer's change in product identifier only: Any change in the product identifier of a listed item, where no change in manufacturer's specifications has occurred, shall be reported to this office in writing within five (5) working days after the change is implemented. The State reserves the right to investigate the circumstances and to subsequently accept or reject the reidentified product, whichever the State in its sole judgment deems appropriate. Failure of bidder to properly report changes in product identification in accordance with the above may result in removal of the item from this list.

Discrepancies in product identifiers: In instances where the manufacturer's product identifier and the identifier listed in the QPL differ, the State reserves the right to investigate the circumstances and to subsequently accept or reject the product in question, whichever the State in its sole judgment deems appropriate.

All pianos listed on this Qualified Products List must conform to all of the requirements of NC Specification No. 7710-1, latest edition.

NOTE: Piano models previously evaluated for inclusion on this Qualified Products List **will not be reevaluated.**
